

UKS2 - Homework Rubric!Summer Term

To challenge yourself, try to think of different ways to present your homework. You may want to use Purple Mash, use your iPad, work on paper, or take photos/videos of your homework. Work your way through the activities, the expectation is to complete at least 1-2 per week as well as Purple Mash and any revision that is sent home. I will always help if you need it – please ask! 😊
